**WARNING**

Under Massachusetts law, an equine professional is not liable for an injury to, or the death of, a participant in equine activities resulting from the inherent risks of equine activities, pursuant to section 2D of chapter 128 of the General Laws.

I acknowledge and understand the inherent risks of equine activities as defined in M.G.L. c. 128, section 2D; that trail riding can involve being in remote areas for extended periods of time, far from communication, transportation and medical facilities; that these areas may have hazards, which management cannot anticipate, eliminate, modify or control; and that accidents can happen to anyone at any time. I hereby enter into and participate in the Ride for the Ribbon® at my own risk.
